

VWA-01, VWA-04 & VWA-05

The video wall solution with AG Neovo VWA-01 aluminium extension bar, VWA-04 wall bracket and VWA-05 connecting pin for easy assistance of constructing video walls in control rooms or digital signage environments.

The VWA-01 aluminium extension bar, WMA-04 wall bracket and VWA-05 connecting pin provide the installation of video wall with convenience. For weak or uneven walls, the extension bar offers to create a perfect flat mounting surface with an additional strong construction. For multi-display mounting in one line, applying the extension bars with connecting pins, wall bracket, and additional VWM-01 and VWM-02 mounting arms allows to approach horizontal alignment effortlessly and thus enhance a quick and easy installation.

- > Video wall mounting solution contains VWA-01 extension bar and VWA-04 brackets with optional VWM-01 and VWM-02 mounting arms based on installation needs
- > Aluminium extension bar available lengths in 2,000mm
- > Wall bracket accommodate LCD displays from 42" up to 65" displays

Specifications (VWA-01)

Mounting	VESA Standard	Depend on AG Neovo display mount kits
Exterior	Material Colour	Aluminium Silver
Dimensions	Product (L x H x D)	2,000 x 60 x 40mm
Weight	Product Weight	750 g (1.7 lbs)
Packing	1 Bubble Wrap	1 pc

Specifications (VWA-04)

Mounting	Display	42" ~65" VESA Standard
Loading	Weight Capacity	80 kg (176.4 lbs)
Exterior	Material Colour	Metal Black and Silver
Dimensions	Product (L x H x D)	40 x 40 x 40 mm
Weight	Product Weight	80 g (0.2 lbs)
Packing	1 Bubble Wrap	1 unit

Specifications (VWA-05)

Exterior	Material Colour	Stainless steel Silver
Dimensions	Product Length	120mm
Weight	Product Weight	46g (101.4 lbs)
Packing	Zipper Bag	1 pc
